LIFE IN MALTA

Many things will be different in Malta from the way you live at home. You may find this a bit scary or you may find it exciting. You can always talk to anyone at IELTS if you're a little homesick!

Maltese traditions are a reflection of a mix of various cultures, mainly Mediterranean, and British.

The country's official languages are Maltese and English, but Italian is also widely spoken.

Malta's currency is the Euro (€). You can change money at many banks or exchange bureaus all over the islands.

Banks are usually open until the early afternoons from Monday to Friday and until midday on Saturday.

The closest ATM machine to IELTS is 5 minutes away, at the Tigne Shopping Complex.

Plugs are three pin (UK style) and 230V. You can find adaptors very easily.

We recommend bottled mineral water although tap water is safe to drink.

Ask the Leisure Desk if you need assistance getting a Maltese SIM card.

To call a Maltese number, dial +356 first. To call home from a Maltese phone, first dial your country code.

Shopping in Malta

Sliema, St Julians and Valletta are popular locations for shopping & eating out. The main shopping areas around the school are:

- Bisazza Street and Tower Road
- The Point Shopping Complex
- Plaza Shopping Centre
- Baystreet

Shops usually open from 09.00 to 13.00 and from 16.00 to 19.00 and close on Sundays and Public Holidays.

In Sliema shops are generally open throughout the day.
